The GR dated December 20, 2021 states, "Parents are free to decide the pre-primary class and the age at which their wards join the pre-primaries. Schools cannot refuse students admissions to the pre-primaries on the basis of the upper age criteria. The GR dated September 18, 2020 was directed towards ensuring schools adhered to the minimum age requirement of six years for class I. While schools are required to follow the minimum age criteria for each class, there is no fixed upper age limit mentioned in the GR and thus schools are advised to maintain flexibility while admitting students above the prescribed minimum age for admissions to the pre-primaries."
