

I am Jyoti Sathe Dhakad, an Indian national with a diverse linguistic background. I am proficient in speaking and communicating in English, Marathi, and Hindi, with Marathi being my mother tongue.

An educational professional with 9+ years of experience in administration, teaching, and leadership. Proven track record of delivering exceptional results, with a strong focus on student development, staff management, and community engagement.

Highly accomplished Principal with 9+ years of experience in managing the overall administration of a preschool, including staff, students, and facilities. Proven expertise in developing and implementing curriculum, policies, and procedures to ensure academic excellence. Skilled in leading and managing teams, coordinating with parents and the community, and maintaining high standards of student behavior, discipline, and academic achievement.

I bring a unique combination of academic credentials and technical skills to the table. Currently, I am pursuing an LLB degree from Agnel School of Law, Vashi, and have also completed a Diploma in Cyber Law & Information Technology. My educational background includes a B.Ed in English and History from Mumbai University, a B.A in Political Science and History from Mumbai University, and H.S.C and S.S.C certifications from the Maharashtra State Board. Additionally, I possess advanced computer skills, including MS-CIT, typing in Marathi and English, and proficiency in Microsoft XP applications, including Word, Excel, Office, PowerPoint, Outlook, and Access.

"As a dedicated and passionate educational leader, I am committed to fostering a culture of excellence, innovation, and inclusivity in our school community. I look forward to working collaboratively with students, teachers, parents to achieve our shared vision of academic success and personal growth."

I am dedicated to creating a supportive and inclusive learning environment that empowers students to reach their full potential."
